Residential Areas

Examples: Types and location of new housing, property maintenance, housing renovation, code enforcement, historic preservation, affordable housing, senior housing, etc.

1) Improve corridors that enter the city.
   - Blight
   - Landscaping
   - show off our good parts
   - Beautify Downtown more so people want to go + diversify it attractions

- Route 66 Promotion
- connect amenities to keep young professionals.

2) • micro communities

3) • Transit between communities/ [redacted] attractions
   - new ideas for mass transit

4) • use springs and other natural resources to market ourselves.

Commercial Areas

Examples: Types of commercial development, desired aesthetic, key redevelopment opportunity sites, examples of quality development, etc.

- rethinking Battlefield mall
  - sports tourism
  - condos / housing

Summary

1) [redacted] Clean up high traffic corridors
2) focus on local communities
3)

- Arts, Image & Identity
- Other Topics

one big idea —
"mixed-use" development —
to create local residential
identity.

FORWARD SGF
Visioning Workshop

Group #

Residential Areas

Examples: Types and location of new housing, property maintenance, housing renovation, code enforcement, historic preservation, affordable housing, senior housing, etc.

So. east Springfield - new area
Sunset Hills
Lots of apartment houses in
overall areas.
Need more vehicle access for
downtown building (residential)
Vision 2020 - adding repurposing when
space becomes available.
Mixed
Utilities

More Brand / Westside Betterment

Commercial Areas

Examples: Types of commercial development, desired aesthetic, key redevelopment opportunity sites, examples of quality development, etc.

James Park - not enticement. Building
Not be accessible.
development listened (apartments)
Using buildings downtown for
"repurposing"
Contributing to the art community
Mixing commercial & residential.
(well-planned.)

FORWARD SGF
Visioning Workshop

Group #

Industrial Areas

Examples: Potential development sites, desired areas for industrial and light industrial uses (e.g. manufacturing, warehousing and logistics, business parks), impacts on surrounding uses, access, and infrastructure, etc.

The abandoned Kansas railroad corridor for light + heavy industry. Lots of business parks now, it seems. Northeast for light + med. Southwest - heavy.

Transportation & Mobility

Examples: New streets and extensions, intersection improvements, traffic signals, transit service, sidewalks, trails, pedestrian improvements, parking, etc.

trails - more
Grant money is coming for sidewalks

FORWARD SGF
Visioning Workshop

Group #

Parks, Open Space & Recreation

Examples: Locations for future parks or park expansions, open space preservation targets, sensitive environmental areas, public gathering spaces, etc.

Festivals - more!

Roller Coaster in Delisa Park!

No human or animal waste in ponds!

Park expansion in Southeast area

Yes

Community Facilities & Infrastructure

Examples: Desired locations for improved or expanded city services, community assets that should be preserved, areas in need of improved infrastructure, etc.

Be prudent about tearing down structures just because they are "old." Certain areas that seem to always come up to discuss.

West College

Downtown

Gateway

Group #

FORWARD SGF
Visioning Workshop

Arts, Image & Identity

Examples: Opportunities for gateway and welcome signs, streetscaping, corridors with desirable appearance or in need of improvement, areas to target historic preservation efforts, public art opportunities, etc.

Image - beautification
& streetscapes
to town. Gemstone -
Summit,

Other

Include any suggestions that do not fit under one of the other categories.

Tree - leaving trees
when building,
if possible -

More lanes for picking up children
from school.
Sidewalks, like lanes.
Downtown lit light.
Daylighting creeks & restoring
areas around them.

Visioning Workshop Series

January 28-29, 2020

Workshop Agenda

- Introductions
- Large Group Polling Exercise
- Break into small groups – Mapping Exercise
- Group Report Back/Wrap-up

Visioning Workshop Topics

- Residential Areas
- Commercial Areas
- Industrial Areas
- Transportation & Mobility
- Parks, Open Space & Recreation
- Community Facilities & Infrastructure
- Arts, Image & Identity
- Other Topics

FORWARD SGF
Visioning Workshop

Group #

Residential Areas

Examples: Types and location of new housing, property maintenance, housing renovation, code enforcement, historic preservation, affordable housing, senior housing, etc.

Commercial Areas

Examples: Types of commercial development, desired aesthetic, key redevelopment opportunity sites, examples of quality development, etc.

FORWARD SGF
Visioning Workshop

Group #

Industrial Areas

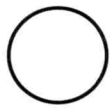
Examples: Potential development sites, desired areas for industrial and light industrial uses (e.g. manufacturing, warehousing and logistics, business parks), impacts on surrounding uses, access, and infrastructure, etc.

Transportation & Mobility

Examples: New streets and extensions, intersection improvements, traffic signals, transit service, sidewalks, trails, pedestrian improvements, parking, etc.

FORWARD SGF
Visioning Workshop

Group #



Parks, Open Space & Recreation

Examples: Locations for future parks or park expansions, open space preservation targets, sensitive environmental areas, public gathering spaces, etc.

Community Facilities & Infrastructure

Examples: Desired locations for improved or expanded city services, community assets that should be preserved, areas in need of improved infrastructure, etc.

FORWARD SGF
Visioning Workshop

Group #

Arts, Image & Identity

Examples: Opportunities for gateway and welcome signs, streetscaping, corridors with desirable appearance or in need of improvement, areas to target historic preservation efforts, public art opportunities, etc.

Other

Include any suggestions that do not fit under one of the other categories.

FORWARD SGF
Visioning Workshop

Group # 19

Residential Areas

Examples: Types and location of new housing, property maintenance, housing renovation, code enforcement, historic preservation, affordable housing, senior housing, etc.

- Enforce codes for rental houses - Rental inspectional program
- Improve owner occupancy
- Reduce nusance properties
- Energy efficient housing for low housing

Commercial Areas

Examples: Types of commercial development, desired aesthetic, key redevelopment opportunity sites, examples of quality development, etc.

- Welcome commercial areas
- Need more affordable commercial properties for small business owners
- More strict standards for facades of buildings, and ~~less~~ end giving ~~real~~ big corporations big breaks

FORWARD SGF
Visioning Workshop

Group # 19

Industrial Areas

Examples: Potential development sites, desired areas for industrial and light industrial uses (e.g. manufacturing, warehousing and logistics, business parks), impacts on surrounding uses, access, and infrastructure, etc.

- Keep concentrated away from neighborhoods

Transportation & Mobility

Examples: New streets and extensions, intersection improvements, traffic signals, transit service, sidewalks, trails, pedestrian improvements, parking, etc.

- Extend turning lanes on Kearney & Glenstone
- Management traffic on Campbell & National

FORWARD SGF
Visioning Workshop

Group # 19

Parks, Open Space & Recreation

Examples: Locations for future parks or park expansions, open space preservation targets, sensitive environmental areas, public gathering spaces, etc.

- Grant Beach Park - ~~[illegible]~~ make it like Doling
- Landscape Art Museum

Community Facilities & Infrastructure

Examples: Desired locations for improved or expanded city services, community assets that should be preserved, areas in need of improved infrastructure, etc.

- ~~Welcoming~~ Beautification of points of entry into the city
- Green storm water infrastructure

FORWARD SGF
Visioning Workshop

FORWARD SGF
Visioning Workshop

Group # ◯

Residential Areas

Examples: Types and location of new housing, property maintenance, housing renovation, code enforcement, historic preservation, affordable housing, senior housing, etc.

North side - North west esp., not safe, some nice developments but people wouldn't want their kids walking/biking in the area, or to travel through the bad area to work. Take out blighted / rundown houses & put in parks. Add grocery stores, banks, healthcare. Sidewalks, lights. Mixed used retail/residential. Bring in employers. Add schools, Add large industrial (more jobs AND freight opportunity)

Commercial Areas

Examples: Types of commercial development, desired aesthetic, key redevelopment opportunity sites, examples of quality development, etc.

- commercial corridors – improving those areas that tourists / travelers see so they want to stay/return/see more
- replicate Brentwood shopping center. Beautify areas.

Sunshine
Glenstone
Kearney
Campbell
Battlefield
Chestnut

- Beautify landscaping, make traffic easier / more attracting
- combine parking lots

Grow small business. Improve City Codes to make it easier on small business owners.

FORWARD SGF
Visioning Workshop

Group #

Industrial Areas

Examples: Potential development sites, desired areas for industrial and light industrial uses (e.g. manufacturing, warehousing and logistics, business parks), impacts on surrounding uses, access, and infrastructure, etc.

Keep in North west - proximity to freight & airport to ship products out.
Will bring jobs to the area.
* Anywhere above Commercial

- Use tax abatement - near airport
- Can't put it near residential - how can we create new industrial area?
- Bring in

~~How do you~~

Transportation & Mobility

Examples: New streets and extensions, intersection improvements, traffic signals, transit service, sidewalks, trails, pedestrian improvements, parking, etc.

landscaping, lights, sidewalks - combine parking lots
incentives for beautification on private property
more stoplights to make left turns possible

Blue - free way system

Add amtrak station?

commuter rail

CONNECT THE GREENWAYS

Smaller public transit - shuttles, specific routes instead of large empty buses that have to make so many stops

FORWARD SGF
Visioning Workshop

Group #

Parks, Open Space & Recreation

Examples: Locations for future parks or park expansions, open space preservation targets, sensitive environmental areas, public gathering spaces, etc.

Improve current parks

DOG PARKS -

Community Facilities & Infrastructure

Examples: Desired locations for improved or expanded city services, community assets that should be preserved, areas in need of improved infrastructure, etc.

green space (not parks, just grassy)

walk in clinics on North side

FORWARD SGF

1 big idea > Beautification through parks, art, redevelopment, utilities, etc. . . .

FORWARD SGF
Visioning Workshop

Group # 33

Residential Areas

Examples: Types and location of new housing, property maintenance, housing renovation, code enforcement, historic preservation, affordable housing, senior housing, etc.

Neighborhood signs are good
Localized neighborhood plans
Underground utilities
Upgrade utilities

Commercial Areas

Examples: Types of commercial development, desired aesthetic, key redevelopment opportunity sites, examples of quality development, etc.

Surface water in parking lots - pervious surfaces
incentives for LEED style developments rather than blighting
- rather than people looking to "beat" development regulations they are looking @ what can they do better

When developing must give City natural space
put a parking garage @ mall & improve open space - eg: Liberty Station in San Diego, Nashville, San Diego

FORWARD SGF
Visioning Workshop

Group # 33

Industrial Areas

Examples: Potential development sites, desired areas for industrial and light industrial uses (e.g. manufacturing, warehousing and logistics, business parks), impacts on surrounding uses, access, and infrastructure, etc.

Continue to develop near Kearney

Transportation & Mobility

Examples: New streets and extensions, intersection improvements, traffic signals, transit service, sidewalks, trails, pedestrian improvements, parking, etc.

JRF > this congestion puts traffic on other minor rds
– can't get across JRF by bike, no bike lanes, can't get N/S to trails
Need a rail connection, inner-city > w/ bikes
Nightime tram from Battlefield Mall (parking) drops off downtown — no parking
Bikeability is hurting whole system – connectivity w/ schools
Safer (walk/bike) by putting eyes on the street
Access management – planning support for removing driveways

FORWARD SGF
Visioning Workshop

Group # 33

Parks, Open Space & Recreation

Examples: Locations for future parks or park expansions, open space preservation targets, sensitive environmental areas, public gathering spaces, etc.

parks on parking garages & buildings - green rooftops
put real resources behind completing trails
Getting landlocked - greenspace is beginning to disappear

Community Facilities & Infrastructure

Examples: Desired locations for improved or expanded city services, community assets that should be preserved, areas in need of improved infrastructure, etc.

Underground utilities - esp w/ ice/tornadoes
improve aging infrastructure
Older neighborhoods esp. need attn.
pervious concrete - surface water in parking lots
More parking garages in downtown
pickleball center indoor and outdoor
indoor bike/skate park
paint the utility boxes
Support not just hockey, but better figure skating support @ ice park
Have a proactive plan for leftover Grantave pkwy land

experience e.g. pro shop - employees

FORWARD SGF
Visioning Workshop

Group # 33

Arts, Image & Identity

Examples: Opportunities for gateway and welcome signs, streetscaping, corridors with desirable appearance or in need of improvement, areas to target historic preservation efforts, public art opportunities, etc.

Route 66

Glenstone needs appearance Improvement
Commercial is an asset

Better job at putting art into infrastructure - you know you've arrived
- art on bridges, gateways

Other

Include any suggestions that do not fit under one of the other categories.

Downtown > think of it as more than a big neighborhood - duclex a mix of housing types (town homes)
> Illuminate > it feels dark @ night
- not just street lights but w/ buildings & iconic elements

Tired of Hammons Tower being "the" icon for SGF
- get some lively architecture

minimum height requirements - 3 or 4 stories in downtown
